Program contact: Denise Nettesheim, Site Review Hydrogeologist
Program contact address: 201 W. Washington Ave., P.O. Box 8044, Madison, WI 53708
Program contact phone: (608) 261-7719

Submitted Questions and Responses

1. The soil tables state concentrations are in ppb, but I take it that is a mistake. Aren't the soil table values in ppm?

Yes, the soil laboratory results are in parts per million (ppm).
